Lassen County National Forest has been our families recreation area since 1912 for my husbands family and 1935 for my family. We were able go fishing, camping and now have ATV recreation. Your new forest planning Rules will be taking away Our Land, Our Forest free access. The Forest belongs to the people. The Rules will take away the access that we so much enjoyed. You will be assessing fines for walking down trails we use to walk on, that you have closed off from the public. Why are you limiting the use of our forest from us. The use for bird watching, site seeing, camping, ATV rides and just enjoying the nature that God created for us. Please do not take away the use of Our Land.
