Comments

Please add the following to your National Forest System Land Management Planning Policy:

- 1) Require ALL grants using FEDERAL MONIES to require the Removal of ALL INVASIVE SPECIES from any land regarding the grant being offered. (Energy, Transportation, Interior, etc.)
- 2) Ask the STATES to make the same requirements for their grants using non-federal monies.
- 3) Require all GRANDFATHERED National Register of Historic Places to remove their invasives within 10 (ten) years or lose their registration. (See Bonnet House, Ft. Lauderdale, FL)
- 4) Require all NEW National Register of Historic Places to remove their invasives before Registration.
