comment on volume 2 draft peis appendices

pga2 - far too often the alleged need for change has no validity at all. none. its sometimes a complete fake. there is no truth in the trends. a clear trend is hunting advocacy is diminishing. despite that car trend, fs keeps or enlarges hunter areas, seasons, clearly that is a fakery and scam on the us population of over 300,000,000.

the forest supervisor routinely designates far too much land as suitable for destructive logging, mining, drilling, etc. the plans are much too destructive in nature so that no PROTECTION OF THE FOREST IS IN FACT GOING ON.

219.52 - THE PUBLIC SHALL ALWAYS BE GIVEN EMAIL ADDRESSES TO SEND COMMENTS TO ON ANY ACTION BY THE FOREST SERVICE. EMAIL ADDRESSES THAT WORK MUST ALWAYS BE WORKING IN THIS AGENCY. YOU NEED TO MOVE INTO THE TWENTY FIRST CENTURY. THIS IS NOT 1935 WITH SNAIL MAIL BEING THE ONLY AVAILABLE COMMUNICATION AVENUE. THE WEBSITE SHALL BE KEPT CURRENT AND INFORMATIVE. THIS AGENCY NEEDS TO BE OPEN AND TRANSPARENT IN ITS ACTIONS. EMAIL IS ABONA FIDE DESIRED METHOD FOR PUBLIC COMMUNICATION WITH THIS AGENCY AND NEEDS TO BE FULLY AVAILABLE AND UTILIZED.

219.53 NEEDS CHANGING. ANYMEMBER OF THE AMERICAN PUBLIC MAY OPPOSE THE PLAN AND HAS STANDING TO DO SO AT ANY STATE OF THE PLAN GOING THROUGH THE SYSTEM. THIS BUSINESS OF HAVING TO HAVE WRITTEN IN IN THE FIRST PLACE IS NOT VALID AND DECIMATES PUBLIC COMMENT AND DISCRIMINATES AGAINST A PERSON WHO FOR PERSONAL REASONS DID NOT KNOW ABOUT THE FS PLAN IN ITS EARLY STAGES. THE STANDING OF THE AMERICAN PUBLIC TO COMMENT AT ANY STATE AND TO OBJECT AND APPEAL AT ALL STAGES NEEDS TO BE THE NORM. FS IS DISRESPECTING THE AMERICAN PUBLIC.

219.54 OBJECTION TO THE PLAN MAY ALSO BE FILED VIA INTERNET COMMUNICATION. THE SIGNATURE MAY BE FILED LATER WITH A NAME ON THE COMMENT. A NAME AT THE BOTTOM OF THE E MAIL COMMUNICATION SHALL BE PROOF OF THE EXISTENCE OF A MEMBER OF THE PUBLIC. YOU CAN ALWAYS ASK FOR MORE INFORMATION LATER IF IT IS REALLY NECESSARY AND YOU DONT THINK THERE IS A REAL PERSON THERE.

219.55 - TAKE OUT 3 ENTIRELY. THE PUBLIC SHOULD NOT BE KEPT FROM OBJECTING SIMPLY BECAUSE THEY MISSED EARLIER NOTICE. IT IS DISGUSTING THAT THE PUBILC - THE TAXPAYERS FUNDING THE WHOLE DARN AGENCY ARE TREATED LIKE SCUM AND DISRESPECTED BY THE FS LIKE THIS.

4-DELETE TOO

8B DELETE

THE REVIEWING OFFICERS DISRESPECT THE AMERICAN PUBLIC ROUTINELY, FINDING LEGAL REVIEW REASONS TO THROW OUT PUBLIC COMMENT. WE HAVE A FEUDAL SYSTEM AT THE FS, WHERE THE CITIZEN TAXPAYERS WHO PAY TO FUND THIS AGENCY ARE TREATED LIKE SCUM. ALL POSSIBLE LEGAL REGULATIONS ARE USED AGAINST THEIR HAVING ANY SAY IN WHAT THE FAT CAT BUREAUCRATS IN THE FS WANT. THE FAT CAT BUREAUCRATS AT FS ACT LIKE THEY ARE FEUDAL LORES. GOVT HAS GOTTEN MUCH TOO BUREAUCRATIC AND DOESNT LISTEN TO THE PEOPLE ANYMORE. NOBODY CAN HAVE A DIFFERNT OPINION THAN THE FAT CAT BUREAUCRATS AT FS. THEIR MINDS ARE CLOSED TO THEPUBLKIC. THAT IS COMPLETELY WRONG AND NOT W]HAT GOVT SHOULD BE DOING. AT ALL TIMES, GOVT NEEDS TO LISTEN. WANT TO KNOW WHY EGYPT EXPLODED? IT IS VERY IMPORTANT THAT AMERICAN GOVT LISTEN TO THE PEOPLE AND NOT JUST TO INSULAR

INSIDE BUREAUCRATS.

219.56 THE BUSY AMERICAN PUBLIC NEEDS 60 DAYS FOR FIRST COMMENT. THERE IS NO NEED FOR A 30 DAYS RUSH. IT IS INTERESTING HOW TIME EXTENSIONS ARE GIVEN TO THOSE POLITICALLY CONNECTED TO COMMENT, BUT THE GENERAL AVERAGE PUBLIC GETS SCREWED BY THE FS.

9. THE REVIEWING OFFICER GETS 90 DAYS TO ACT. YOU GIVE THE PUBLIC 30 DAYS. THE REVIEWING OFFICER IS TREATED MUCH BETTER THAN THE PUBLIC, WHO IS FUNDING THE REVIEWING OFFICER'S SALARY. YOU PAY TAXES SO YOU GET TREATED LIKE SCUM BY FAT CAT BUREAUCRATS - AMERICA IS GOING DOWN THE TUBE WITH THIS KIND OF THING HAPPENING. PUBLIC SERVICE SHOULD BE THE NAME OF THE GAME TO AVERAGE AMERICANS, NOT JUST TO RICH CORPORATIONS AND RICH CATTLE RANCHERS. DID THE EMPLOYEES AT FS EVER HEAR THE WORDS "PUBLIC SERVANTS". THAT MEANS THEY ARE TO ACT TO HELP THE AVERAGE AMERICAN, NOT DISRESPECT HIM.

219.1(2) THE PROPER VALUE OF NATURAL RESOURCES SEEMS TO BE CONSIDERED TO BE ZERO BY FS PERSONNEL. SO THEY GIVE IT AWAY FOR RELATIVELY NOTHING - LIKE \$5.00 AN ACRE PER YEAR - HOW STUPID IS THAT? THE TRUE VALUE OF AN ACRE OF AMERICAN SOIL FOR ONE YEAR IS ABOUT \$500,000. THE FS SHOULD BE GETTING HIGHER RATES WHEN THEY RENT ANY ACRE OF LAND. RIGHT NOW THE FS IS GIVING AWAY THE STORE TO CATTLE RANCHERS MINERS, DRILLERS, ETC.

219.6C6 - ADD E MAIL ADDRESS FOR ALL FS. OFFICIALS. PLEASE MOVE INTO THE 21ST CENTURY. THIS IS NOT 1935 WITH A REQUIREMENT FOR JUST SNAIL MAIL ANYMORE

219.6D - INCLUDE TELECONFERENCES, AND WEBINARS FOR PLANNING SO THAT PEOPLE ALL OVER THIS COUNTRY CAN PARTICIPATE AT EVERY CONFERENCE. EVERY SINGLE CONFERENCE. THE LOCALS SHOULD NOT BE PANDERED TO AS YOU ARE DOING WITH THE NATIONAL OWNERS OF THE LAND FINDING IT VERY DIFFICULT TO HAVE TO TRAVEL 3,000 MILES TO KEEP UP TO DATE ON FS DOINGS.

219.6G AT LEAST 60 DAYS NOTICE ALWAYS FOR THE PUBLIC TO ACT. THE PUBLIC IS BUSY WORKING 2 AND 3 JOBS TO PAY THE HIGH TAXES THAT KEEP THIS AGENCY IN BUSINESS. GIVE THE PUBLIC A BREAK AT ALL TIMES.

219.6H (1 THROUGH 3) THE RPA ASSESSMENT PROGRAM SHALL BE AVAILABLE ON THE FS WEBSITE. MORE INFORMATION NEEDS TO BE PUT ON THE WEBSITE INSTEAD OF STUFFY DRAWERS THAT NOBODY EVER SEES. PLEASE MOVE INTO THE 21ST CENTURY WITH OPEN TRANSPARENT GOVT.

219.9(III)I OBJECT TO THE REGIONAL GUIDE DEFINING HARVEST LEVELS SINCE MOST AMERICANS ARE ENTIRELY IGNORANT AND UNINFORMED AS TO THESE LEVELS. THIS IS A SECRETIVE DOCUMENT NEVER EXPOSED TO PUBLIC COMMENT AND SHOULD HAVE NO FORCE AND EFFECT UNTIL IT IS PUT ON WEB OPEN AND AVAILABLE TO THE PUBLIC FULLY.

219.16(B) THE DRAFT EIS SHALL NOT PICK OUT A FAVORED PLAN AT ANY TIME. THE PUBLIC SHALL DETERMINE EVERY SINGLE ELEMENT OF HOW ANY FOREST PLAN IS PICKED SINCE THE PUBLIC TAXPAYERS PAY THE FREIGHT FOR THIS AGENCY TO RUN. THE WAY THE PLANS ARE PRESENTED IS VERY VERY CONFUSING WITH 5 PLANS BEING OFFERED. I DON'T LIKE THAT AT ALL. PRESENT THE FACTS, THE PUBLIC CAN CHOOSE WHAT ELEMENTS THEY LIKE.

219.26 THE TIMBER SALE SCHEDULED WITH ALL ITS MONETARY INFORMATION MUST BE RELEASED TO THE GENERAL PUBLIC BEFORE ANY ACTION IS TAKEN TO SELL ANY TIMBER TO ANYBODY. THE FULL CONTRACTUAL PROCESS OF THE SALE MUST BE PUT ON THE WEBSITE.

219.17(IV) SHOULD BE DELETED. PROXIMITY IS NOT NECESSARY FOR WILDERNESS DESIGNATION. WILDERNESS SHALL BE DESIGNATED WHEREVER IT CAN BE. TAKE THIS OUT. THIS IS UNDULY RESTRICTIVE. ALL NATIONAL SITES ARE PRESENTLY ISLANDS IN A TOTAL OCEAN OF DEVELOPMENT BUT WE NEED TO SAVE WHAT WE CAN.

219.18(A) NOT "PERIODIC ESTIMATE". IT SHOULD SAY ESTIMATE EVERY OTHER YEAR. SO REPLACE SUCH A GENERALIZED FORMLESS WORDING AS "PERIODIC ESTIMATE" WITH ESTIMATE EVERY OTHER YEAR.

219.18 - ADD ALL OF THESE POPULATION SPECIES FIGURES SHALL BE FULLY AVAILABLE TO THE PUBLIC ONLINE AND ON INTERNET.

219.19ii) TAKE OUT 'SPECIES COMMONLY HUNTED'. NO SPECIES SHOULD BE CONSIDERED "COMMONLY HUNTED". (OR KILLED). TAKE OUT AND DELETE THAT PHRASE.

(1) LAST SENTENCE "SUITABILITY OF HABITAT RELATED TO "MOBILITY OF MANAGEMENT INDICATOR SPECIES" SHALL BE CHANGED TO ALL SPECIES MOBILITY. WE WANT CONSIDERATION OF THE MOBILITY OF ALL SPECIES TO MOVE FROM DANGER CONSIDERED AT ALL TIMES, NOT JUST SOME SPECIES AND LET THE OTHERS BURN UP OR SOME OTHER CATASTROPHE.

(3) FISH & GAME AGENCIES SHALL BE RECOGNIZED BY FS AS PRIVATE HUNTING CLUBS MASQUERADING AS STATE AGENCIES REPRESENTING ALL OF THE PEOPLE IN THEIR STATE. AS MOST PEOPLE LIVING IN A STATE WILL TELL YOU, THE FISH & GAME AGENCIES IN THEIR STATE ACT AS PRIVATE HUNTING CLUBS, WITH MOST PEOPLE IN THE STATE WHO FEEL COMPASSION AND RESPECT FOR ANIMALS COMPLETELY DISENFRANCHISED FROM HAVING ANY SAY IN THE STATE FISH & GAME AGENCIES. THE MAJORITY OF THE PEOPLE IN MOST STATES ARE NOT HUNTERS, BUT THEY ARE DISENFRANCHISED FROM HAVING ANY SAY IN THEIR STATE FISH & GAME AGENCIES. THE FS. MUST RECOGNIZE WHAT HAS HAPPANED HERE. THESE STATE FISH & GAME AGENCIES ACT AS PRIVATE HUNTING AGENCIES AND CONSIDER MOST WILDLIFE AS FIT TO BE SHOT TO DEATH FOR THEIR JOY AT KILLING. THIS NEEDS TO BE RECOGNIZED. THEY DO NOT REPRESENT THE PEOPLE OF THEIR STATE ANYMORE. A POWER GRAB HAS TAKEN PLACE. THEY BLACKLIST YOU AT STATE FISH & GAME AGENCIES IF YOU ARE NOT A HUNTER. THESE STATE FISH & GAME AGENCIES DO NOT REPRESENT THE MAJORITY OF THE PEOPLE IN THE STATE. THEY HAVE GRABBED THE MONEY AND POWER AND KEEP OUT ALL OTHER PEOPLE. IT IS DESPOTISM IN ACTION.

(4) FS MUST RECOGNIZE MAJOR USE OF SITES BY GENERAL POPULATION OF THE USA AND SHALL NOTICE THAT THEY ARE THE MAJORITY OF USERS OF THE FS LANDS AND DESERVE MAJOR RECOGNITION AS MAJOR USERS OF THE FS SITES. THEY ARE CALLED WILDLIFE WATCHERS, PEACEFUL FOLK WHO JUST ASK TO SEE NATURE, NOT KILL IT.

219.20 - FS MUST RECOGNIZE THEAT THESE LANDS OWNED BY THE NATIONAL PUBLIC WERE NOT SAVED SO THEAT PROFITEERING PRIVATE RICH AGRIBUSINESS OR LUMBER BARONS CAN ENRICH THEMSELVES BY DESTRUCTION OF THESE SITES. RENTING TO THEM AT \$5.00 AN ACRE PER YEAR IS STEALING FROM THE GENERAL AMERICAN PUBLIC. THIS KIND OF CONTRACT NEEDS TO BE BANNED TOTALLY. CATTLE GRAZING IS EXTREMELEY DELETERIOUS TO THE PUBLIC LAND AND THIS USE NEEDS TO BE CUT BY 75%. LIVESTOCK IS TAKING ALL THE FOOD AND WATER OFF THE LANDS AND THESE RICH PROFITEERS WHO OWN THE LIVESTOCK ARE GAMING THE SYSTEM. THE AMERICAN PUBLIC IS OUTRAGED. YOU ARE PROTECTING THESE GAMERS OF THE SYSTEM AND THESE ROBBERS OF THE PUBLIC'S LANDS. STOP 75% OF THE USE OF THIS LAND BY GRAZERS AND DO IT NOW. YOU ARE ALLOWING THE GREEDY RICH TO ENRICH THEMSELVES AT THE EXPENSE OF THE GENERAL AMERICAN PUBLIC. CATTLE RANCHERS WHO HAVE RUINED THE LAND WITH THEIR LIVESTOCK NEED TO BE TAKEN TO COURT AND FINED AND JAILED. THEY NEED TO NEVER GET A CONTRACT EVER AGAIN IN THEIR LIVES.

219.21 PEACEFUL NON MURDEROUS NON KILLING USE OF RECREATION LANDS SHALL BE PREFERRED USERS. C - NO OFF ROAD USE SHALL BE PERMITTED AT ANY TIMES. SUCH USE IS POLLUTING, SCARES THE WILDLIFE TO DEATH, CAUSES DEATHS OF OTHER PEACEFUL USERS OF THE LAND AND IS NOISY SO THAT QUALITY OF LIFE IS IMPACTED.

219.22 -THE QUALITY FO THE LEGAL WORK IN GIVING CONTRACTS TO USERS SEEMS TO BE LOW QUALITY. THE CONTACTS GIVEN OUT SEEM TO GIVE USERS AND LEASEHOLDERS ALL KINDS OF RIGHTS TO DESTROY FS LANDS. WHY HAVENT BY NOW - WITH YOUR GIVING OUT THESE CONTRACTS FOR THE LAST 60 YEARS HAVE A TIGHT CONTRACT THAT PROTECTS THE OWNERS OF THE LAND - THE CITIZENS OF THIS COUNTRY. THE CONTRACTS SEEM TO BE WRITTEN BY 12 YEAR OLDS. REQUIRE BONDS TO BE CARRIED BY LEASEHOLDERS THAT WILL GUARANTEE THE LAND DESTROYED DOES NOT HAVE TO BE FIXED BY TAXPAEYRS. CLEAN UP MUST BE GUARANTEED BY ANY LEASEHOLDER. SUCH BONDS SHOULD BE IN A MINIMUM AMOUNT OF TEN MILLION DOLLARS.

219.23 ADD ADEQUATE WATER MUST ALWAYS BE PRESERVE FOR ALL WILDIFE, BIRDS, ETC. DONT ALLOW ALL FO THE WATER TO BE LEASED OUT TO LIVESTOCK.

219.27(II) VEGETATIVE COVER - REPLACEMENT BY A PROFITEER LEASEHOLDER SHALL NOT EXCEED 5 YEARS. TEN YEARS IS TOO LONG.

(12) NO EXTRA TIMBER SALVAGE SHALL TAKE PLACE FROM PRESCRIBED FIRE BECAUSE A FIRE HAS OCCURRED. IF YOU PLANNED ON A CERTAIN AMOUNT OF TIMBER, JUST BECAUSE A FIRE COMES IN YOU CANNOT INCREASE THE AMOUNT OF TIMBER TAKEN THAT YEAR. NO PLAYING THE SYSTEM PLEASE. THIS APPEARS TO BE A SNEAKY DEVIATION FROM THE PLAN TO INCREASE YEARLY HARVEST. I FIND THIS TO BE A SNEAKY PARAGRAPH. IN FACT, WHEN A FIRE COMES, IT IS BEST TO LEAVE EVERYTHING IN PLACE TO REGENERATE.

(3) THE LUMBER BARONS WILL TRY TO RESTOCK FEWER TREES THAN THEY CUT. HOW IS MANAGEMENT PLANNING TO MONITOR THAT CHEAPNESS AND MENDACITY?

219.27 THERE SHOULD BE NO CUTTING OF TREES CLOSER THAN 300 FT FROM A WATER BODY. 100 FT IS TOO LITTLE DISTANCE TO PREVENT MAJOR EROSION INTO THE WATER BODY.

219.28 - RESEARCH NEEDS TO BE DONE ON AIR POLLUTION WHEN ANY BURNING IS CONTEMPLATED. WHEN YOU BURN FINE PARTICULATE MATTER IS RELEASED, WHICH CAN POISON THE AIR FOR THOUSANDS OF MILES THIS FINE PARTICULATE MATTER CAUSES LUNG CANCER, HEART ATTACKS, STROKES, ALLERGIES, PNEUMONIA, AND ASTHMA. NOBODY AT THE FS HAS BEEN CHECKING THE FINE PARTICULATE MATTER RELEASED. ALL THESE EMPLOYEES SEEM TO TALK ABOUT IS SMOKE WHEN THEY BURN. YOU CAN SEE THE SMOKE, YOU CANNOT SEE FINE PARTICULATE MATTER. IT IS DEADLY AND KILLS. THE AMERICAN PUBLIC WANTS MORE ATTENTION TO THE NEGATIVES OF BURNING BECAUSE YOU KILL PEOPLE WHEN YOU POISON THE AIR. WE DONT WANT ANY MORE BURNING UNTIL YOU HIRE MEDICAL SPECIALISTS TO MAKE SURE THE AIR IS CLEAR. ACTUALLY NOT EVER DOING ANY BURNING WOULD BE FAR BETTER. YOU KNOW YOU CANT BURN IN YOUR BACKYARD. WHY IS THE FS ALLOWED TO BURN IN ITS BACKYARD. THE PROBLEMS YOU CREATE ARE MAJOR HEALTH PROBLEMS.

THE APPEAL PROCEDURE NEEDS TO BE MADE MORE AMERICAN PUBLIC FRIENDLY. IT SEEMS AT PRESENT THE FS OBJECTIVE IS TO SHUT DOWN ALL APPEALS. THE FS PROCESS MAKES IT VIRTUALLY IMPOSSIBLE FOR A GENERAL MEMBER OF THE PUBLIC TO EVER BE HEARD FAIRLY AND HONESTLY IN A BALANCED WAY. FS PROTECTS ITS OWN AND SPITS ON THE PUBLIC. IT PROTECTS ITS OWN DECISIONS EVEN WHEN THEY ARE CORRUPT AND PURELY SPECIAL INTEREST. THIS IS A FAR TOO INSULAR PRACTICE AND IS ANTI AMERICAN PUBLIC. IT SETS UP FS PERSONNEL AS FEUOLDAL LORDS. THE PUBLIC HAS TO BEG AND BEG AND BEG AND BEG.

APPENDIX F ALT D -

219.4 -(2 AND 3) THE FS MAKES IT IMPOSSIBLE FOR NATIONAL PUBLIC TO HAVE ANY INPUT ON THEIR PLANS. THEY HAVE A SET -UP.

PG 6-1 219.49A) OPPORTUNITY FOR PARTICIPATION - THE PUBLIC SHOULD BE THE FIRST CONSULTED ON PLANS, NOT OTHER BUREAUCRATS. PUBLIC AND PRIVATE ORGANIZATION SHOULD GO FIRST, THE PLAN YOU HAVE SET UP IS BACKWARDS. YOU FORGET YOU ARE SUPPOSED TO BE WORKING FOR THE ENTIRE AMERICAN PUBLIC, NOT JUST RICH CATTLE RANCHERS. NO WONDER OUR AGENCIES ARE SO AWFUL THESE DAYS.

PG J-2 THE LOGGING OF THESE LANDS SHOULD BE CUT BY 75%. THOSE TREES ARE ESSENTIAL TO PREVENT GLOBAL WARMING. THEIR CUTTING NEGATIVELY AFFECTS CLIMATE AND CREATES HEAT ISLANDS, CAUSES EROSION. THE PLAN NEEDS CONTAINMENT. IT NEEDS TO BE SMALLER

9 THE GRAZING PROGRAM ON FS LANDS NEEDS TO BE SHUT DOWN. FS CAN LEASE 1/3 OF THAT AMOUNT OF LAND AND RAISE THE RATE 5 TIMES AND NOTHING WILL BE LOST TO THE TREASURY. THIS IS THE COURSE FS SHOULD TAKE. STOP LETTING CATTLE RANCHERS AND LUMBER BARONS BE THE ONLY ONES BENEFITTING FROM THIS LAND. THEY ARE DOING IT ON THE BACKS OF THE ORDINARY TAXPAYERS OF THIS COUNTRY. THE "IMPLAN" MODEL IS A HOAX ON THE TREASURY AND THE AMERICAN PUBLIC.

PG KZ - WHY WOULD FS USE CEQ REPORTS FOR 1982. WE HAVE CEQ IN 2011. THAT IS INCREDIBLY ANCIENT MATERIAL USED FOR RESEARCH BIBLIOGRAPHY. SO MUCH OF THE BIBLIOGRAPHY IS 20 YEARS OR MORE OLD. OUR FORESTS HAVE CHANGED A GREAT DEAL IN 20 YEARS. THIS IS A PLAN FOR THE FUTURE AND YOU ARE LOOKING TOO FAR BACKWARD HERE.

I SEE NO MOVE TO USE TELECONFERENCES, WEBINARS OR THE INTERNET FOR OPEN TRANSPARENT GOVERNMENT. I SEE NO REAL OUTWARD REACHING TO THE GENERAL AMERICAN PUBLIC ACROSS THIS COUNTRY, JUST SPECIAL SEGMENTS YOU PICKED OUT. THIS PLAN SEEMS MIRED IN 1940 PROCESSES. THIS PLAN NEEDS COMPLETE RECOGNITION OF FACTS IN 2011, NOT 1981. FOR EXAMPLE, THE EXPANSION OF WILDLIFE "WATCHERS" WARRANTS RECONSIDERATION ON USAGE PLANS. THEY COME FOR PEACEFUL, NON DISTURBING USE OF THE FOREST. WILDLIFE WATCHERS ARE BEING SCREWED BY THESE PLANS. THE PRESENTATION OF THIS PLAN IS ALSO VERY CONFUSING AND I BELIEVE THAT WAS DONE PURPOSEFULLY.
