We are an off-road family for about 42 years. This has included our children, grandchildren, & now the great grandchildren. We live in the desert and they are taking away more & more of our off-road riding area that we so desperately need. More & more people are riding their off-road vehicles.

Now, I am writing to implore you to not take away any of the National Forest areas. We have also ridden in the forest a lot & it is just a beautiful area to take our children. We do not tear up the area, we carry our trash out, & the off-road clubs organize to maintain trails in the forest areas.

PLEASE KEEP THE NATIONAL FORESTS & GRASSLANDS OPEN FOR OFF-ROAD ACTIVITIES!!!

THANKS, CARRIE WATSON
